## Top Tec 6320 5W-30

Dear Customer,

Regarding your request, we would like to inform you of the following:

We recommend our motor oil Top Tec 6320 5W-30 for use in vehicles from the Stellantis group or for engines from the group for which the following specifications are required:

- Stellantis FPW9.55535/03
- Peugeot Citroën (PSA) B71 2290
- Peugeot Citroën (PSA) B71 2297

A recommendation from us means that our oil fully meets or even exceeds the requirements of these specifications. The process for approval of the name is still ongoing. We are currently waiting for the approval letter.

If, contrary to expectations, damage occurs that can be traced back to our product when used as intended, LIQUI MOLY GmbH confirms liability within the framework of the statutory provisions.

Yours sincerely,

per pro

Reiner Schönfelder
